

At Bathford Church School, our **vision** of 'Grow, Care, Serve, Share' **frames** our curriculum. We aim to help our children to **grow** by equipping them with the knowledge, skills and values they need both to **make sense of the world** and to become **caring, responsible global citizens**.

3 overarching whole school themes link the children's learning to our vision and embed Equality and Diversity into our curriculum. Cross-curricular topics link to these themes, inspiring our children to care about their learning.
